MEMORANDUM FOR: Deputy Director for Operations

FROM: [REDACTED]
Director of Training and Education

SUBJECT: A Note of Thanks [REDACTED]

1. Our thanks to [REDACTED] of the Counterintelligence Staff for the rock 'em, sock 'em briefing he gave 36 fledgling Defense Attaches during their orientation visit to Headquarters on 20 February. [REDACTED]

2. [REDACTED] was a last minute substitute, had not delivered a briefing to attaches before and enjoyed less time than most of our speakers to prepare. All that notwithstanding, his remarks were pungent, to the point, and most topical. [REDACTED]

3. A member of my staff who accompanied the attaches and was present for [REDACTED] talk ranks that talk as the best defensive Counterintelligence briefing he has heard in 30 years with the Agency! Officers like [REDACTED] are an invaluable resource to the Office of Training and Education and we are mindful of the contribution that he and others in the Directorate of Operations make to our ongoing efforts.
